SURVEYED BY

Richard M. Browne

U. S. Deputy Mineral Surveyor.

April 5th 1888.

The original Field Notes upon the survey of the Claim of Joseph Woodmansee et al. upon the Sunbeam Lode from which this plat has been made, have been examined and approved, and are on file in this office; and I hereby certify that they furnish such an accurate description of said Mining Claim as will, if incorporated into a patent, serve fully to identify the premises; and that such reference is made therein to natural objects and permanent monuments as will perpetuate and fix the locus thereof. I further certify that the value of the labor and improvements placed thereon by the applicant or the grantors, is not less than Five Hundred Dollars, and that said improvements consist of about 500 ft of shaft and 500 ft of drifts.

as appears by the report of the deputy surveyor and the testimony of two disinterested witnesses. And I further certify that this is a correct Plat of said Mining Claim, made in conformity with said original field notes of the survey thereof.
